A message from the CEO

Thank YOU!

We appreciate being thought of while you were researching on your best career options. This Prospectus is just a guide on what courses we have to offer with relevant details. However, for an in-depth knowledge and to establish your best choice contact us for more information or any questions you wish to ask!

You are not just a number at TrEd but part of a culture that we will work on together to transform the industry!

TrEd College

Thank you for looking at TrEd College as a possible option for your future studies!

[TrEd Website](#)

Reading the entire prospectus can seem like a big enough task, so our team has put together a summary of all relevant information so that you can make an informed decision. For any additional information do not hesitate to contact our relevant team members that can assist you in navigating and choosing the best course for you! To be successful in these careers, you will need to be a compassionate and caring person who communicates well. You will have to have a real desire to work in the health care, education, business and emerging tech sector empowering those you serve and yourself as you get ahead in your career.

Exceptional Courses

We are continuously improving our courses as per the industry through consultation and have the following to offer thus far:

- Nursing
- Dental
- Child protection
- Child Care
- Individual Support
- Pathology
- Business and Management
- Applied Blockchain

Your needs matter to TrEd College, so if you have any additional feedback or need support please do contact the relevant team member for a tailored solution!

Extra Perks!

Work placement

Our students go to work places and learn skills on the job as part of their course.

They are provided assistance with placement by our course-specific Placement Coordinators.

Innovation

Always finding innovative and exciting ways to bring niche courses to the International Australian Education sector.

This also extends to being innovative with your student experience; ask about our Student Engagement Team today!

Employment outcomes

Our courses focus on employment outcomes where most of our students find work and excel in their careers with skills learned at TrEd College

Industry Consults

TrEd College heavily consults with industry to keep the courses fresh, current and exciting for all students and industry partners.

Soft Skills

You can receive free soft skills to enhance their employability, professional and personal skills.

For example, resume writing sessions are conducted on campus.

Australian Experience

TrEd College is Australian based with a global outlook with many exciting locations to come.

You have the chance to engage with students from all walks of life; learn about new cultures, new languages, taste different foods and more!

Relevant Information

SERIOUS ABOUT SAFETY

This program is exclusive to TrEd College and will help you stand out from your fellow graduates. TrEd College is committed to creating safer environments. Our Serious About Safety program has been created with leading industry experts and focuses on seven potential risk areas; Personal Safety, Fire Safety, Car Safety, Cyber Safety, Water Safety and Rescue, First Aid, CPR, Asthma and Anaphylaxis.

PATHWAYS TO UNIVERSITY

A TrEd Diploma qualification can get you a step closer towards a Bachelor Degree at an Australian University. You may receive academic credit for up to one year of your university degree with one of our partner Universities, some including guaranteed and direct entry. Alternatively, apply directly to a university of your choice. A Diploma qualification will give you a university rank of 82. Visit our website for a current list of partners and articulation offers.

PACKAGED COURSES

Our course packaging has been designed to combine and enhance students' skills and knowledge and reinforce their professional development in the Health and Care Industry. Course packaging is available across each discipline of study, to meet a range of career goals and based on skills and skill shortages recognised by industry. Course packaging pricing takes into consideration credit for common units (credit transfers) between qualifications.
